

### **Box elder bugs (interior)**

This is for the treatment of Box elder bugs inside a building.

#### **Possible chemical(s) to be used and time to stay out of the building**

- Pro 110 ULV (4 hours)
- Dragnet FT EC (4 hours)
- Seclira WSG (4 hours)

#### **Preparations before treatment**

- Furniture needs to be moved away from the wall about 2-3 inches

#### **General information**

Box elder bugs come from box elder trees/manitoba maples. Getting rid of the trees is the best long term solution. You will see the bugs gather around your property typically wherever there is the most sunlight.
